13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action Achivements/Outcomes						
No Data Entered/Not Applicable!!!						
No Files	Uploaded !!!					
14. Whether AQAR was placed before statutory body ?	No					

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2020
Date of Submission	21-Dec-2020
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	Academic Module: Academic Module deals with Programmes, seats offered under various courses, duration of programmes etc. It also keeps the track of students present under different Programmes in the Institute and their placements. Financial Module: Finance module gathers financial data and turns them into reports including quarterly financial statements, ledgers, profit tracking, and balance sheets etc. H R Module: The Human Resource (HR) module provides a single source of information about employees. Human Resources module (H R Module) typically includes how an HR department goes about recruiting, on boarding, managing, developing, paying employees and communicates changes to Job data changes and salary distribution changes to higher management authorities.

Part B

### **CRITERION I – CURRICULAR ASPECTS**

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Institution implements the curriculum of B.Ed. and M.Ed of Bangalore City University , Bengaluru. The Institution has constituted Curriculum Committee for effective implementation of the prescribed Curriculum as per the local needs. The Institution follows well maintained and transparent mechanism for curriculum delivery and documentation. In the beginning of the academic session, the Institution prepares academic calendar which consists of curricular and co-curricular and extracurricular activities for effective delivery of curriculum. The head of Institution addresses the newly admitted students in Orientation/Student Induction program which orient the students about the Infrastructure facilities, Library facilities, syllabus, mission, vision and various activities conducted in the Institute. The teachers also

address the newly admitted students and orient them on the curriculum. They also share with them the different reference books and links available on the Google which they can use in their studies. The faculty uses different pedagogy techniques, methods, presentations and group discussion etc. for effective delivery of curriculum. The Institution has maintained well equipped laboratories for effective curriculum delivery of practical. It provides practical knowledge and enhances the skills of the students. Meetings are conducted regularly for the review of the teaching, planning of unit tests, seminars, workshops etc. Assignments, seminars and projects are given to the students under the supervision of faculty to enhance their team skills, leadership qualities etc. Extension lectures of eminent faculty members from different institutions are arranged for the students to give them exposure to current trends and latest knowledge. ICT skills are used by the teachers for effective delivery of lectures and imparting curriculum. The Institution organizes educational tours for the students, conducts Internship programs for B.Ed. and M.Ed. students and provides field visits for their practical exposure. Internship program acts a means to interact with school authority which enhances the students' employment skills. Tutorial system is implemented in the Institution for Individual attention of students for academic, social, personal and financial issues. The achievements of objectives of the syllabus are measured through students' performance in internal tests, Group discussions, Presentations and University examinations. Unit Test, Class test are conducted for the student; results are discussed and analyzed with the students.

1.1.2 – Certificate/ Diploma Courses introduced during the academic year										
Certificate Diploma Courses	Dates of Duration Introduction	Focus on employ Skill ability/entreprene Development urship

1.4 – Feedback System	n							
1.4.1 – Whether structur	ed feedback recei	ved from all the	stakeholde	rs.				
Students				Yes				
Teachers Yes								
Employers				No				
Alumni				No				
Parents				No				
1.4.2 – How the feedbac (maximum 500 words)	k obtained is being	j analyzed and	utilized for	overall development	of the institution?			
Feedback Obtained								
Feedback acts is a means for evaluating the progress of the Institution. The Institution collects feedback from Students. It helps in developing new insight for further improvement. Procedure of Feedback collection: Online Feedback forms are given through google forms and the data is analysed. Each parameter is discussed and suggestions are given for further improvement of the areas required as per feedback. Results of the analysis based on students feedback indicate that quality of course content is good, teachers are knowledgeable, there is practical content in teaching, Library and administrative support is good, learning outcomes are positive and overall rating is good for the Institution. The Institution needs to work out on weaker areas as per feedback like communication skills, teachers availability, encouragement etc by organizing various Faculty Development Programs/Orientation/Workshop/Seminar etc for faculty. The Institution needs improvement in the parameter of placement. By taking into consideration, the Institution should have more contacts with more employers for placement. Oral feedback is also obtained from faculty members. The responses from the faculty members indicate that the course curriculum is appropriate and they have freedom to opt teaching methods, techniques and tools. Examination and evaluation system is good for the

<ul> <li>2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)</li> <li>The Institution has Mentor-Mentee System for UG, PG and Research programs. Students are divided into groups where one teacher is in-charge, to each group. Guidance and support is provided to the students by the tutors even after class hours, telephonically (Whats App groups) or face to face. Students are motivated to participate in various academic and co-curricular, curricular and extracurricular activities viz. seminars, workshops, discussion, debate, extension lectures, competitions, quiz, cultural programs, social and community work. Remedial classes are arranged for low achievers. The tutors also take care for their groups for the placement with the help of placement cell. The tutors help their groups to develop their mental capacities and grooming of personality, aim is to enhance the knowledge, skills, talents creativity of the students and make learning enjoyable. Tutors also help their groups to enhance their self-confidence, communication skills etc. In mentoring system equitable treatment or services are given to all students having varied background. According to needs of students, remedial classes, career guidance and yoga sessions are conducted for students. Group discussions on various topics help to cultivate critical and creative thinking of students for their holistic development. This system proved fruitful during covid 19 pandemic.</li> </ul>

	The Institution is affiliated to Bengaluru City University, Bengaluru .The								

Annual theory exam. Students submit their assignment as per time schedule given to them..

University has allotted 30 marks for internal assessment and 70 marks for Theory Examination. The schedule of internal assessment is communicated to the students and faculty in the beginning of the session through Orientation Program/Student Induction Program and it is also displayed on notice board and website through publishing of Program Schemes. As per the guidelines, the Institution has taken following reforms in internal exam. . Performance of the students in Internal Assessment is used by teachers for improvement by conducting remedial classes. Class Test, Unit Test, Assignments, Projects, and Presentation are part of the evaluation process. The Unit Test and Internal Exam include descriptive type questions which helps the students for their

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Institution academic calendar contains plans for curricular and cocurricular activities based on the available working days as per norms framed by the university. The college commences the academic year in accordance with the schedule and guidelines given by the university academic calendar. Every Semester the college prepares academic calendar in accordance with the university calendar and it will be intimated to all the students, Stake holders and the same is displayed in college website. The academic calendar provides information about the date of commencement of the semester, Internal Assessment Test schedule, club related activities, Events pertaining to professional bodies (Guest Lecture, Seminars, workshops and conferences), and The Institution strictly follows the schedules given in the academic calendar. Internal tests are conducted on the dates planned in academic calendar. Results of internal assessment are declared and communicated to students within stipulated time.

5.3.2 – Activity o bodies/committee				f students o	on acade	emic & admin	istrative
Institutional adopts the democratic procedure of selecting student representatives in the various committees of the Institutional. This offers the students a platform to represent themselves and have a voice for Institutional administration. These representatives of students act as a link between management, institution and students. It also helps in developing the career of the students, their personality, leadership quality, commitment for their work, team sprit etc. The Institutional has a well structured Internal Quality Assurance Cell, Anti-Ragging Committee, Grievance Redressal Committee, Sexual Harassment Committee, Students Welfare Cell, Co-curricular committees. All the committee has student representatives. IQAC maintains higher standards of quality in the education, it looks that a congenial environment is there for student progress and development. Anti-Ragging Committee provides the platform, where students can place their complaints regarding ragging in the Institutional. This committee assures that no student is ragged inside the campus and if any such issues arise then this committee looks after this. No such incident happened in the Institutional till date. Although the Institutional has Grievance Redressal Committee but no major grievance received till date and same with the Sexual Harassment committee. This has created a conducive environment for all. Co-curricular committee helps in organizing various co-curricular activities for the students. Various activities like							

celebration of Independence day, Republic day, Gandhi- Shashtri Jayanti
,International Women Day, environmental day, etc. are organized in the
Institutional. Majority of students participated in this days of national
importance, celebration of festivals and cultural events, eminent experts were
invited for the organization of various extension lectures etc....

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

All the passed out students are considered as alumnus of the institution. Every year 2 programmes, namely Dr.C.Madhukar Essay writing inter college Competition and Inter college Impromptu speech competitions are conducted. There is a rolling shield in the name of Alumni Association, which conducts the programme.

5.4.2 - No. of enrolled Alumni:

500

5.4.3 - Alumni contribution during the year (in Rupees) :

5000

5.4.4 - Meetings/activities organized by Alumni Association :

## **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institution follows decentralized governance and participative management. Teaching and Non-Teaching Staff members share the responsibility in the Institution and help in smooth conduct of administrative affairs. The highest administrative body of the institution is Governing Body, Rashtreeya Shikshana Samithi Trust, Bengaluru. Selected members of the management are also the members of this administrative body. The Institution has nominated three staff members from teaching to the governing body, to ensure staff representation in the management. Governing Body, Principal and staff members prepares the draft of long and short term plans for the institution which include resource mobilization, need assessment and quality enhancement. At the Institutional level various Committees have been constituted for the smooth functioning of the Institution - Repairs Maintenance Committee, Discipline Committee, Time Table and Skill in Teaching Committee, CoCurricular Activities Committee, Internal Assessment Committee, Research Committee, Sports Committee, Extension Activities Committee, Library Committee, Women cell, Guidance and Counselling Committee, Redressal / Grievance Committee. The Finance committee monitors the utilization of funds and resources. It takes all the decisions leading to optimal utilization of the college funds to ensure quality. All academic activities for effective teaching learning are also planned and executed by the principal and staff members.

6.1.2 – Does the institution have a Management Information System (MIS)?					
Yes					
6.2 – Strategy Development and Deployment					
6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):					
Strategy Type Details					

Curriculum Development	The Institute is affiliated to Bangalore city University, Bangalore Karnataka, The Institute follows the curriculum of this University. The Institute implements the curriculum of the University in spirit. The Institute has formed Curriculum committee which helps in implementing the curriculum in context of local needs of the students. Subject allocation to faculty members is done on the basis of their specialization as well as experience level. Flexibility is given to students to select elective subject of their choice. The given curriculum is enriched with co-curricular and curricular activities organized by the Institute.
Teaching and Learning	The Institute uses ICT techniques, tools and aids to improve teaching and learning process. Internet facility facilitates the student in improving teaching and learning process. It also helps the students in their research work at M.Ed. level. In library also computers are provided to students for accessing e-resources and preparing presentation for their research work. Our Institute also sends students for Internship, in other colleges and schools, which help the students in enhancing their skills practically. Teaching and learning process is enhanced with workshops, tours, visits, seminars, extension lectures and extracurricular activities. Productive learning is also enhanced with assignments and feedback.
Examination and Evaluation	Examination and Evaluation are carried as per the University guidelines. The internal assessment is conducted by the institution at the end of Semester. Final Examination is conducted by university, which is a centralized process managed by the University. We follow a disciplined strategy for evaluating our students, that includes., • class tests, Unit test and presentations. • For comprehensive evaluation: Students are evaluated on all parameters of personality, talent skills. • ICT is used for evaluation of results. • Two assignments are given to each student.
Research and Development	Research and Development • All the teachers students of the institute have access to well-equipped computer

	<pre>session. Infrastructure: R V Teachers college , is one of the most eminent teacher education institution in the Sothern region of the country.The Institute has a magnificent and spacious building. There is library, staff room, Hostel and many other facilities. It has facilities like, Multi-Purpose Hall , Sports Facilities, Placement Cell, Art and Craft Resource Center etc. To foster a spirit of experiment in students, college plans curricular and co-curricular activities. There is 24 hr. Power back up. In the existing building there is a multi-purpose play-field ground which is being used for holding important functions, sports and other related activities. The institute has a well furnished staff room and additionally separate cubicles are made for the faculty for doing their academic work. The college has different laboratories like Science lab, Computer Lab and Psychology Lab. There is one Art and Craft Resource Centre. This centre has space for drawing, painting and other</pre>
Human Resource Management	creative activities. Cleansing and upkeep is carried out regularly. The Faculty Members are encouraged to participate in seminars and capacity building workshops. Training programs for teaching and non-teaching staff on computers, communication skills, etiquette and innovative practices were initiated. Staff members are encouraged to do FDP from renowned organisations
Industry Interaction / Collaboration         6.2.2 – Implementation of e-governance in areas of operation	for their skill development. Internship for B.Ed. and M.Ed. students. List of schools were 1. R V Girls High School 2. Smt Hombegauda Girls High School 3. Vijaya High School 4. Karnataka Public School , Sarakki 5.Karnataka Public School , audugodi 6. kengeri High school, Kemgeri 7. Al- Ameen college of Education . 8. jana seva vidya kendra, chennanahalli. 9. Karnataka Public School, chamrajpete 10. JSS high School. 11.R V Public School.

E-governace area	Details
Planning and Development	All information regarding NAAC, AISHE, NCTE, UGC, are sought and sent via electronic media. All the relevant information is sent to staff, student

	and management through e-mail and also uploaded on Institute's website. Institute uses INFLIB software in library. Academic calendar and time table is prepared, uploaded on Institute website and sent to student and teacher via electronic media. Administration
Administration	The office administration uses SAP- H4-HENA software for all administrative work. All the data of students, teachers, admission etc. is maintained in software
Finance and Accounts	All the financial transactions like students fee, teacher salary, payments made to vendors, are made through the software SAP-H4-HENA .
Student Admission and Support	Admissions of Students are made on the basis of merit through State Level Centralized Counseling. Students are allotted by University through electronic media.
Examination	The enrolment details for new students are provided by the institute to the university online via university portal. Filling the examination form, obtaining the admit card by students and finally uploading of the internal and external marks are done online. Students are notified time to time regarding important dates.

## 6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year
